

Valeria Croce ^[1]

Head of Travel Business Intelligence, Eurail Group GIE, Strategy Analyst & Researcher
Brussels, Belgium

Valeria Croce is an analyst specialized in international tourism. Throughout her career, she gained substantial experience with the whole process of data production, analysis and dissemination

Valeria predominantly worked for international organisations, among which academic institutions, the UN World Tourism Organization and European Institutions. Valeria is currently head of research at Eurail, an organization dedicated to the marketing and management of train passes for cross-national travel. She holds a PhD in Economics and Social Sciences from the Vienna University of Business Administration.

Valeria frequently delivers keynotes and presentations at international events, and guest lectures at universities. She has experience as lecturer and as vocational trainer.
