Angela Nagy [1]

CEO and Co-Founder, GreenStep Solutions Inc.
Kelowna, British Columbia, Canada

Angela is the CEO of GreenStep Solutions, a company that has provided sustainability strategies and programs for thousands of small and medium sized enterprises since 2008. Through their Sustainable Tourism division, Angela and her team provide solutions that help the hospitality and tourism industry improve its sustainability performance, including assessments, certifications, eco-funding, consulting, training programs, and carbon measurement.

Angela has been trained by former Vice President and Nobel Laureate, Al Gore, David Suzuki and IPCC scientists to deliver the Climate Reality Project and is certified in Organizational GHG Accounting through the Greenhouse Gas Management Institute, and as a Sustainability Practitioner through The Natural Step. Her experience also includes politics, and Angela has served as an elected official at both the municipal and regional levels, elected on a platform of sustainability.
