GSTC Sustainable Tourism Online Course - Bahamas (STTP-0620-BS)

Course Link: https://www.trainingaid.org/course/gstc-sustainable-tourism-online-course-bahamas-sttp-0620-bs

Course Description

About This Course

This is a closed group course of the Global Sustainable Tourism Council (GSTC) Sustainable Tourism Training Program (STTP), offered with the support of the Bahamas Ministry of Tourism & Aviation. This is a closed course for invited participants only.

Sustainable Tourism Training for Industry Professionals

The Sustainable Tourism Training Program (STTP) provides the knowledge and resources needed to help improve sustainability practices by tourism industry businesses and destinations. Built on the framework of the GSTC Criteria, the global baseline standards for sustainability in travel and tourism, the STTP training class will help you achieve tangible actions that fulfill the globally recognized standard of sustainability best practices.
